

**"At Last" This is a "work in progress" still need to match with one of the midi versions**

At last  
My love has come along  
My lonely days are over  
And life is like a song

~~Oh yeah yeah~~  
At last

The skies above are blue  
My heart was wrapped up in clover  
The night I looked at you

I found a dream, that I could speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill that I have never known

~~Oh yeah yeah~~  
You smiled, you smiled  
Oh and then the spell was cast  
And here we are in heaven  
For you are mine...

At Last

*Instrumental*

*I found a dream, that I could speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill that I have never known*

*Oh yeah yeah  
You smiled, you smiled  
Oh and then the spell was cast  
And here we are in heaven  
For you are mine...*
