

Can't Help Falling In Love Lyrics

Wise men say
Only fools rush in
But I can't help
Falling in love with you

Shall I stay
Would it be a sin
If I can't help
Falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life too
Cause I can't help
Falling in love with you

Oh, cause I can't help
Falling in love with you
No, I can't help
Falling in love with you
