

The Sound Of Music – The Sound Of Music Lyrics

My day in the hills has come to end I know
A star has come out to tell me it's time to go
But deep in the dark green forest
Are voices that urge me to stay
So I pause and I wait and I listen
For one more sound for one more lovely thing
That the hills might say

The hills are alive
With the sound of music
With songs they have sung
For a thousand years

The hills fill my heart
With the sound of music
My heart wants to sing ev'ry song it hears

My heart wants to beat like the wings of the birds
That rise from the lake to the trees
My heart wants to sigh like a chime that flies
From a church on a breeze

To laugh like a brook when it trips and falls
Over stones on it's way
To sing through the night
Like a lark who is learning to prey

I go to the hills
When my heart is lonely
I know I will hear
What I've heard before

My heart will be blessed
With the sound of music
And I'll sing once more
